THIRD READING

SB 248 (Patterson)

HB 4963 (D. Law)

Support: Secretary of State, MI Lighthouse Fund, American Legion, Ducks Unlimited, Michigan United Conservation Clubs.

The Governor vetoed SB 785 last session and all indications are SB 248 would meet the same fate. State Police are opposed to this legislation because it will make it increasingly difficult to recognize and identify Michigan License plates for police officers and incident/accident witnesses. This bill establishes no limit or limitations on the number of new plates, and provides no method for recall of plates that are discontinued under the imposed sales quota. While recognizing the important role that fundraising plays for many non-profits, the state police also note that if an interest group would like to advertise on the back of the car, they already have the option of bumper stickers, or vanity plates attached to the front of the vehicle.

SB 248 would direct the Secretary of State to develop fundraising plates for non-profit organizations, provided the Legislature must pass a bill authorizing that the Secretary of State may establish a fundraising plate.

- **SB 248 was moved to 3rd Reading. No amendments.**

SB 423 (Gilbert)

- SB 423 was moved to 3rd Reading.

- Committee 1 (S-1) was defeated.
- Cropsey 2 (S-2) was adopted.
- HB 4865 was moved to 3rd Reading.

HB 4866 would include the felony proposed by HB 4865 in the sentencing guidelines. Under the bill impersonating a firefighter or EMS provider would be a felony against the public safety, with a statutory maximum sentence of two years' imprisonment.

- Cropsey 1 (1 amend) was adopted.
- HB 4866 was moved to 3rd Reading.
